

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL A - 86.00 - 86.50 SQ.M.

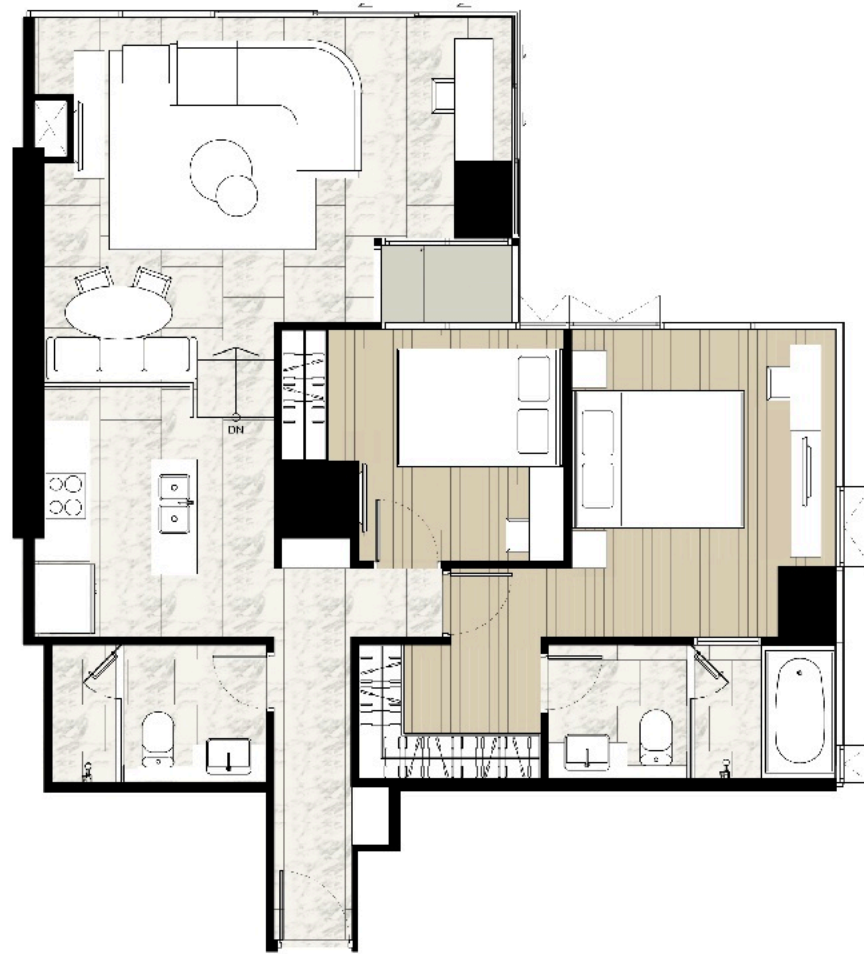

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL AM - 86.00 - 86.50 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL AS - 86.00 - 86.50 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL ASM - 86.00 - 86.50 SQ.M.

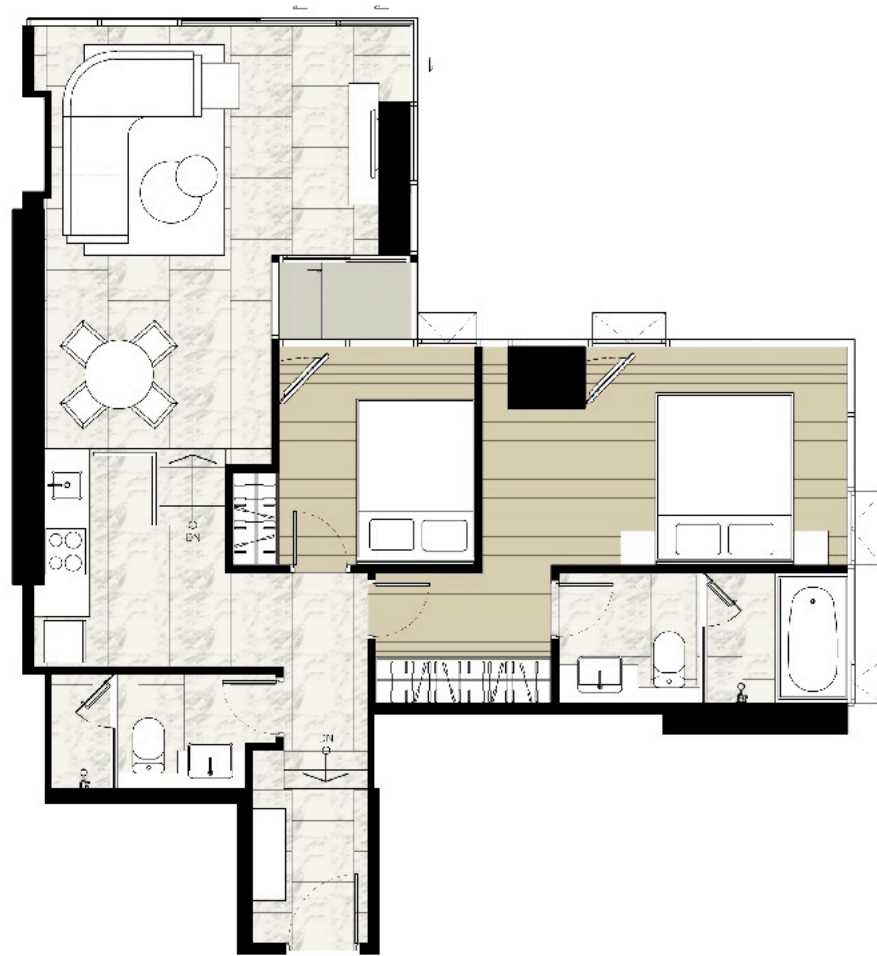

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL B - 75.00 - 75.50 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

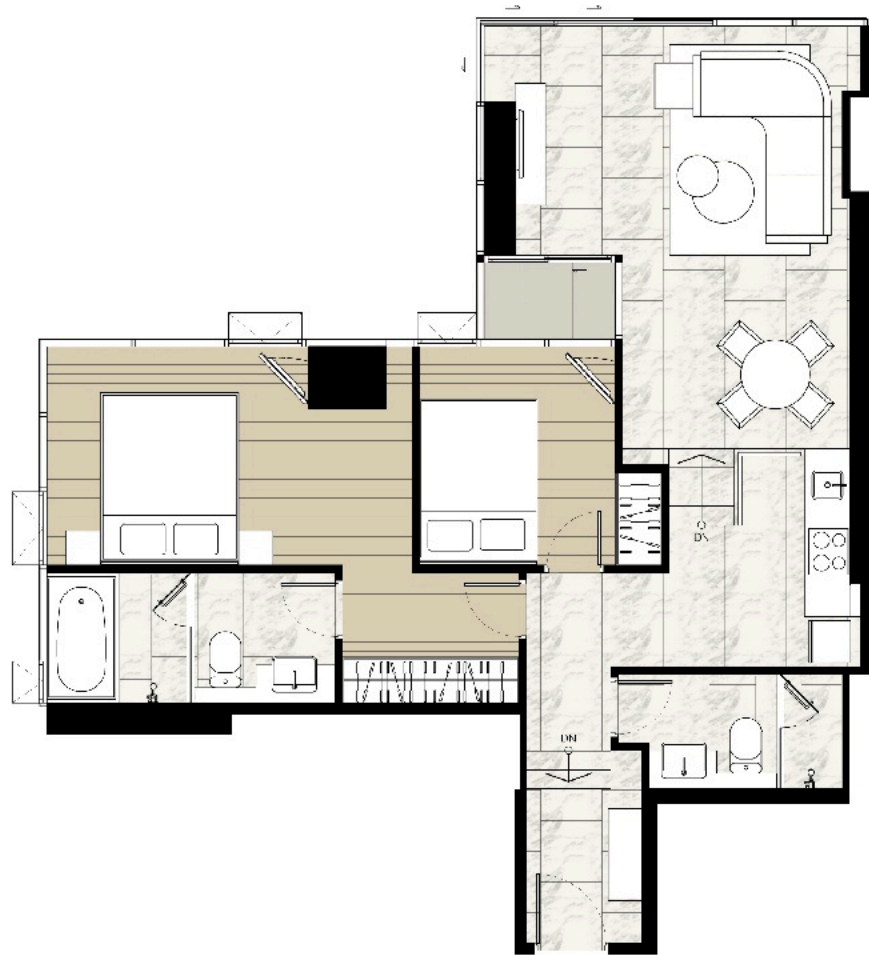

TYPICAL BM - 75.00 - 75.50 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL BS - 75.00 - 76.00 SQ.M.

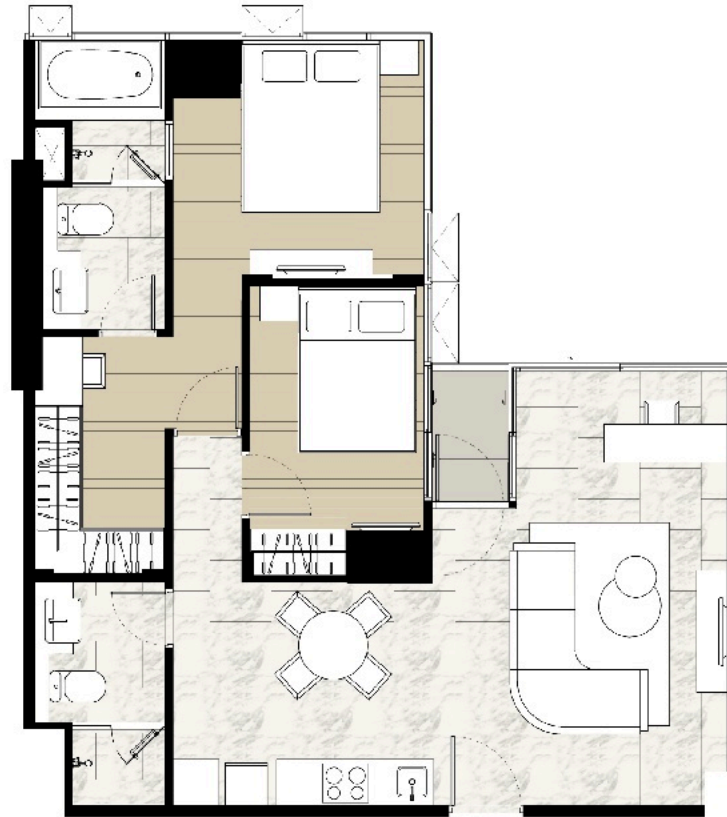

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL BSM - 75.00 - 76.00 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL C - 71.50 - 72.00 SQ.M.

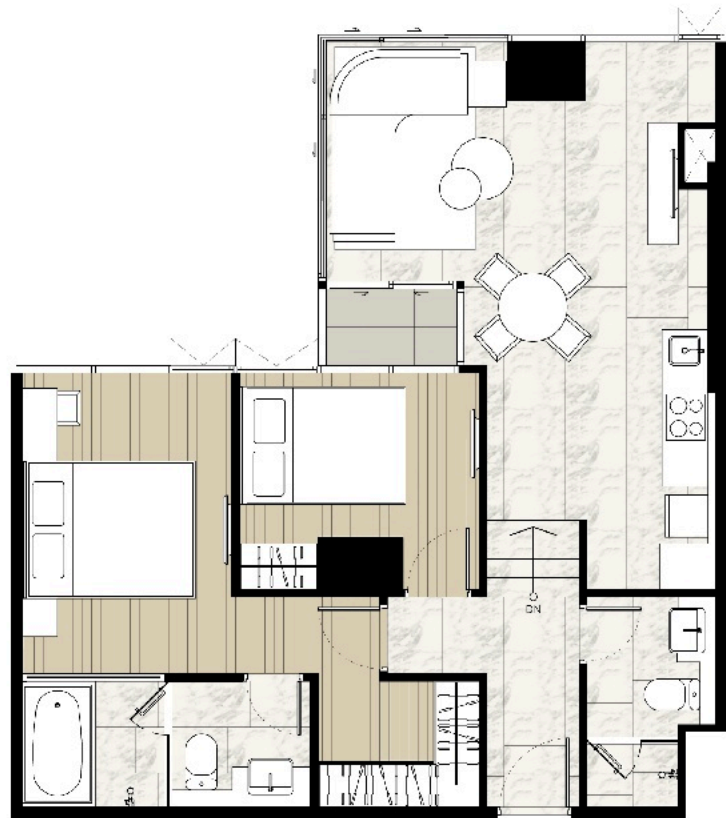

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL CM - 71.50 - 72.00 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL CS - 71.50 - 72.00 SQ.M.

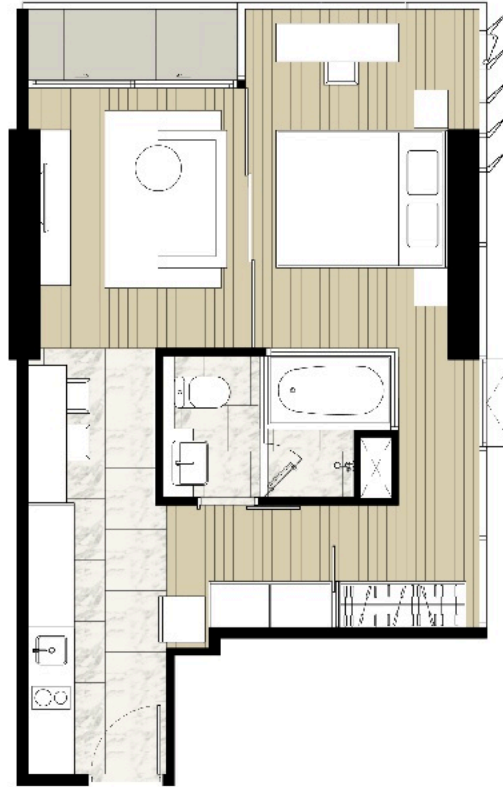

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL CSM - 71.50 - 72.00 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL DM - 48.50 - 49.50 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL DM WITH SHAFT - 48.50 - 49.50 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL D - 48.00 - 49.00 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL E - 35.00 - 36.00 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL EM - 35.00 - 36.00 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL F - 31.00 - 31.50 SQ.M.

The location of each residence dictates its unit layout and pillar positions. The identifying areas are approximately. The shown layout are simulated utilize function only. Contents and images are for advertising purpose only. The images are part of the building. The developer reserves the right to change without prior notice.

TYPICAL FM - 31.00 - 31.50 SQ.M.
